

This guide will help you open a bank account in Ireland. Contact [internationaloffice@itsligo.ie](mailto:internationaloffice@itsligo.ie) if you need further guidance.

## Update

---

There is an AIB bank branch on campus but due to Covid-19 Public Health Guidance, this branch is now closed. There is an AIB branch in Sligo town. This is located 26 Stephen St, Sligo, Ireland. It is a 10-15 min walk from IT Sligo campus.

## How do I open a bank account with AIB?

---

1. If you have an EEA/EU passport you may be able to open a bank account with AIB online. Further guidance is available online [here](#).
2. If you have a Non-EU passport you will need to visit the bank in person (with your supporting documentation) to open an account.
  - You will need to make an appointment with the bank by emailing [93725@aib.ie](mailto:93725@aib.ie)
  - Bring your supporting documentation to your appointment
  - The bank staff will help you to open an account
  - The bank will post your bank card and pin to your address in Ireland.

## What supporting documents will I need?

---

To open a bank account at **AIB** you will need:

- Passport
- Letter of Registration from IT Sligo confirming your registration status and address in Ireland. You can request a letter of registration online [here](#).

## Other Banks in Sligo

---

The following banks are also located in Sligo.

If opening an account with another bank please check the bank website to confirm the application process and required supporting documentation.
