You may need to open a bank account in Ireland during your studies. This guide will help you to open an account with the AIB bank located on campus.

Banks on IT Sligo Campus

There is an AIB bank on campus but due to Public Health Guidance, the bank on campus may be closed. Please check the bank website for opening times before visiting.

If the campus branch is closed, there is another AIB branch in Sligo town. This is a 15-minute walk from campus.
