**Table Notes:**
- The program for the development of knowledge and enthusiasm of the learners includes at least one other lecturer in the delivery of each module.
- Some modules have been rewritten to reflect changes in the curriculum.
- The learning outcomes in Module 8 have been rewritten to include specific topics.
- Consider updating the assessment criteria.
- Minor errors in Module 806 have been corrected.
- Consider revising the SG WSOCT 806 module.
- The panel recommends that the current courses in the UK address some of the missing elements in the existing frameworks.
